

**11<sup>TH</sup> Annual**  
**“TO BRIDGE A GAP” CONFERENCE**  
**April 2 – April 5, 2012**

The Choctaw Nation of Oklahoma will be hosting the **11<sup>th</sup> Annual “To Bridge A Gap” Conference**, in collaboration with the US Forest Service. This conference is designed to strengthen Government-to-Government relationships between federal/state agencies, and federally-recognized Tribes with interests in our Forests. The Forest Service and Tribal Governments have a desire and obligation to establish Government-to-Government relationships where there are mutual interests in managing the cultural and natural resources of the US Forests. In November of 2009, President Obama issued a White House Memorandum on Tribal Relations. The “To Bridge A Gap” Conference is a wonderful opportunity to discuss tribal relations and cultural preservation issues, and participate with others whom are dedicated to improving this relationship.

The conference will be held at the Choctaw Casino & Resort in Durant, Oklahoma and will provide opportunities for Tribal and Forest Service leaders to share information about their respective missions, perspectives, program activities, and interests.

Topics for this year’s “To Bridge A Gap” will include:

- 1) Introductory GPS/GIS Preconference Workshop
- 2) Repatriation
- 3) Farm Bill and benefits for Tribes and Cultural Preservation
- 4) Native American Graves Protection and Repatriation Act (NAGPRA)
- 5) Tribe and Federal Agreements
- 6) Federal Agency Collection Management
- 7) National Tribal Historic Preservation Program: Updates and Application Process
- 8) Traditional Cultural Properties and Sacred Sites
- 9) Tribal/Federal Relations and Collaborative Partnerships
- 10) NEPA and Section 106
- 11) Executive Session for Tribal Leaders and Regional Forest Service Leadership
- 12) FCC Meeting with Tribes
- 13) Energy Development and Impact on Cultural Resources

**Keynote Speaker: Dorothy Lippert, Smithsonian National Museum of Natural History**

Several federal and state agencies will be present including US Forest Service from various regions, Army Corp. of Engineers, State Historic Preservation Offices, National Park Service, and National Resources Conservation Service.
